UC Berkeley partners with two service providers for background check clearances

- HireRight - performs the nationwide background check(s)
- Biometrics4ALL, Inc - performs fingerprinting (Livescan) services for both CA applicants and non-CA applicants.

In order to determine whether a position requires a Livescan or HireRight, please check off any that apply to this position:

- This position is a Weapon Carrying Peace Officer / Dispatch Officer.
- This position has a requirement for a license, certificate, or degree in a healthcare setting that requires Livescan.
- This position has direct responsibility for the care, safety and security of children and minors.
- This position is funded by a contract or grant that requires a Livescan, including working with Controlled Substances.
- None of the above are applicable.

Completed by: _____

Date: _____

** This IOC and questions should be position specific and will allow HR to asses start date expectations accurately*
